End-Of-Life (EOL) Announcement

Date of EOL announcement:	1 October 2025
Labkotec EOL procedure number:	EOLA2503-EN

Dear Customer,

This is the announcement about the discontinuation of the production of the Labkotec idOil-30 3G control unit for oil separators. The new idSET-32M control unit will be launched as a replacement.

idSET-32M is a direct replacement for idOil-30 3G. Its intended use covers all the same applications, and it is fully compatible with all the same Labkotec idSET-, idOil-, and SET- sensors as idOil-30 3G control unit. The new control unit is launched to update the Labkotec separator alarm product portfolio and to adapt to changes in the mobile data network.

The idOil-30 3G control unit is used as a base unit in a wide range of products and product packages. Labkotec will launch a comprehensive range of idSET-32M -based product packages to cover idOil-30 3G range.

IMPORTANT DATES

Labkotec will follow the schedule reported below during this End-of-life procedure:

- End-Of-Life announcement 1 October 2025
- Launch of the replacement product idSET-32M December 2025
- Last Order 1 December 2025
- Last Deliveries: 19 December 2025
